Checklist for SG Clean Programme

1 Appoint a “SG Clean” Manager to implement measures and ensure compliance to checklist of SG Clean Programme (Hereinafter referred to as “Programme”)

1.1 Management Commitment

- 1.1.1 MICE venue management should commit to develop, implement and continually improve the effectiveness of the Programme.

1.2 SG Clean Manager

- 1.2.1 MICE venue management should appoint a SG Clean Manager to ensure compliance with the requirements of the Programme. The roles and responsibilities of a SG Clean Manager should include, but are not limited to, the following:
- i. Develop and implement the measures identified in the Programme
 - ii. Take appropriate corrective and preventive actions and continually improve the effectiveness of the Programme
 - iii. Ensure that employees are familiar and comply with the requirements of the Programme
 - iv. Conducting inspection and checks to ensure compliance at all times
 - v. Keeping records of inspection and checks.

1.3 Communication

- 1.3.1 The MICE venue should communicate to its employees the following:
- i. Details, measures and requirements of the Programme
 - ii. Roles, responsibilities and how they can contribute to the effectiveness of the Programme
 - iii. Implications and potential consequences of not following the measures and processes of the Programme
- 1.3.2 The measures and the requirements of the Programme should be made available to external stakeholders (such as to tenants, contractors and suppliers, public and visitors), where required.

2 Have processes in place for unwell employees and tenants and ensure that those who have travelled overseas monitor their health status and to alert the MICE venue if they are not feeling well.

2.1 Employees

- 2.1.1 The MICE venue should have processes in place for unwell employees, such as advising them to adopt the appropriate protocol in accordance with the prevailing guidelines¹.
- 2.1.2 The MICE venue should have processes in place to ensure employees who have travelled overseas monitor their health status and to alert the Centre if they are not feeling well and should not be at work.

2.2 Tenants

- 2.2.1 The MICE venue/Tenants should have processes in place for unwell employees of tenants, such as advising them to adopt the appropriate protocol in accordance with the prevailing guidelines².
- 2.2.2 Where feasible and applicable, the MICE venue/Tenants should have processes in place to ensure employees of tenants who have travelled overseas monitor their health status and to alert the MICE venue/Tenant if they are not feeling well and should not be at work.

3 Have processes in place for unwell contractors, suppliers and visitor³.

3.1 Contractors, Suppliers and Visitors

- 3.1.1 The MICE venue should have processes in place for unwell contractors, suppliers and visitors, such as advising them to adopt the appropriate protocol in accordance with the prevailing guidelines⁴.
- 3.1.2 Use TraceTogether-only SafeEntry visitor management system for vaccination-differentiated SMMs (VDS) checks at entry to events with >500 participants at any one time.

3.2 Where feasible and applicable, display updated health advisories for information.

- 3.2.1 Where feasible and applicable, the MICE venue should display updated health advisories indicating the necessary precautionary measures. This includes, but not limited to remaining vigilant and practice good personal hygiene, such as wash their hands regularly and refrain from touching their face unnecessarily.

4 Step up frequency of disinfection for all common facilities and ensure that employees observe good personal hygiene
--

4.1 Disinfection of common facilities.

4.1.1 The MICE venue should develop and implement processes to disinfect common facilities more frequently for premises/areas with high traffic flow, or high touch surfaces and interactive components within the MICE venue.

4.1.2 Common facilities include, but are not limited to:

- i. Lifts including but not limited to buttons, railings and handles, where applicable
- ii. Doors including but not limited to doorknobs and handles
- iii. Handrails of escalators and staircases, where applicable
- iv. Toilets
- v. Meeting rooms, exhibition halls and pre-function areas
- vi. Business centre, where applicable
- vii. Pantry or canteen, kitchens and food preparation areas
- viii. Vehicle drop off and pick up points e.g. Taxi Stands, Coach Bay
- ix. Other common areas such as chairs/ benches, common corridors, staff rest areas etc.

4.2 The MICE venue should develop processes to protect employees and/or contractors performing disinfection work and ensure that employees observe good personal hygiene.

4.2.1 The MICE venue should develop processes to protect employees and/or contractors performing disinfection work, such as wearing Personal Protective Equipment, where feasible and applicable.

4.2.2 The MICE venue should develop processes and use relevant collaterals to educate employees on infection control and good personal hygiene.

4.2.3 The MICE venue should comply with and implement the good practices on maintaining high standards of sanitation and personal hygiene to minimise the transmission of the COVID-19 virus outlined in National Environment Agency (NEA)'s General Sanitation and Hygiene Advisory For Premises Owners and Operators.

5 Check that procedures are in place to manage personnel who test positive for COVID-19.

5.1 Handling COVID-19 confirmed cases

The MICE venue should have processes in place to manage personnel who tested positive for COVID-19 such as arrange for self-isolation and contact tracing of close contacts.

5.1.1 The MICE venue should disinfect quarantine area(s) and isolation route immediately after handling a COVID-19 confirmed case.

5.1.2 Refer to NEA's List of Household disinfectants and self-disinfecting surface coating products against COVID-19 Virus.

<https://www.nea.gov.sg/our-services/public-cleanliness/environmental-cleaning-guidelines/guidelines/list-of-household-products-and-active-ingredients-for-disinfection-of-covid-19>

5.1.3 Where a confirmed case has been present in the Centre's premises or public spaces, refer to NEA's Guidelines for In-House Cleaning and Disinfection of Areas Exposed to COVID-19 Cases in Non-Healthcare Premises.

<https://www.nea.gov.sg/our-services/public-cleanliness/environmental-cleaning-guidelines/guidelines/guidelines-for-in-house-cleaning-and-disinfection-of-areas-exposed-to-covid-19-cases-in-non-healthcare-premises>

6 Check that there are documents and records of all preventive measures
--

6.1 Documents and records

6.1.1 When creating and updating the COVID-19 related documents, the MICE venue should consider appropriate identification and description (e.g. title, date, author, reference number). Examples of documents include MICE venue's COVID-19 response protocols, cleaning logs, staff advisories and notices etc.

6.1.2 The MICE venue should ensure that all documents and records be retained for at least 3 months for traceability.

Updated as at 23 May 2022

7	Ensure compliance to government orders, guidelines and advisories on the COVID-19
----------	--

- 7.1 The MICE venue should comply with all government orders such as Stay-Home Notice (SHN) and Quarantine Order (QO) issued by the various Ministries.
- 7.2 Refer to MOM's Requirements for Safe Management Measures at the workplace and put in place the appropriate measures.

<https://www.mom.gov.sg/covid-19/requirements-for-safe-management-measures>

- 7.3 The MICE venue should maintain and comply with list of relevant guidelines and health advisories on the COVID-19 from government agencies⁵ and ensure that this list is up-to-date⁶. This includes prevailing Safe Management Measures⁷ and any other advisories and circulars issued by STB and other government agencies. This includes identifying relevant measures and determining how they should be implemented in the premises.

<https://www.stb.gov.sg/content/stb/en/home-pages/advisory-for-MICE.html#MICE>

<https://www.nea.gov.sg/our-services/public-cleanliness/environmental-cleaning-guidelines/advisories/general-sanitation-and-hygiene-advisory-for-premises-owners-and-operators>

- 7.4 The MICE venue should comply with the government circular on collection/use of personal data. Refer to PDPC Advisory on Collection of Personal Data for COVID-19 Contact Tracing and Use of SafeEntry.

<https://www.pdpc.gov.sg/Help-and-Resources/2021/05/Advisory-on-Collection-of-Personal-Data-for-COVID-19-Contact-Tracing>

⁵ The health advisories can include, but not limited to, Ministry of Health (MOH), Early Childhood Development Agency (ECDA), Enterprise Singapore (ESG), Ministry of Education (MOE), Ministry of Manpower (MOM), National Environment Agency (NEA), Singapore Food Agency (SFA), and Singapore Tourism Board (STB).

⁶ Refer and comply to the latest updates on the health advisories from MOH <https://www.moh.gov.sg/covid-19/phase-3-sector-related-advisories>

⁷ Examples of Safe Management Measures include but are not limited to Vaccinated-Differentiated SMMs for events with more than 500 participants at one time.
